THE EFC NETWORK

One of the most powerful corporate networks in Australian Sport.

The EFC Network is specifically designed to connect like-minded businesses to achieve B2B outcomes and allows your business to maximise its potential by forming valuable relationships and connections with more than 2,500 corporates within the Essendon Football Club's extensive business network.

As an EFC Network Business Member, you will have the support of a dedicated Account Manager who will play a pivotal role in working with you to understand your business, its services and products, your target market and assist with facilitating valuable connections that lead to genuine business outcomes. We understand that each business is unique, which is why we prioritise tailoring our approach to meet your specific requirements.

As a Business Member, you will also be entitled to a range of benefits including business branding, tickets to first-class events, access to intimate leadership and connection sessions with key decision makers, the opportunity to market and communicate directly to other EFC Business Members through our state-of-the-art network digital platform and much more.

Developing meaningful corporate connections has always been a core strategic focus of the Club. The EFC Network will provide an exciting opportunity for your business to unlock the full potential of what is one of Australia's most powerful business communities.

At Fujitsu General, we pride ourselves on building strong partnerships with like-minded organisations. Our collaboration with Essendon and the EFC Network has been incredibly fruitful, fostering a thriving and mutually beneficial relationship. Through our engagement with the EFC Network, we have expanded our connections within a diverse community of esteemed commercial partners, corporate clients, and coterie groups.

 - Dave Smith - Director of Sales, Marketing and Product at Fujitsu General Australia

NEC is a proud partner of the EFC Business Network. The range of networking opportunities that our company can engage with really drives the ability to enable new sales opportunities. From the varied types of networking events arranged by the EFC Network to the personal introductions to other members, the NEC membership partnership with the EFC Business Network is highly valued. To date, NEC has secured genuine business outcomes through the Essendon Network, and we look forward to the future opportunities.

 Kylie Smith, Vice President - Marketing and Communications

As a Premium Partner of the EFC Network, Bluestar Global Logistics' experience has been an exceptional one. The platform's vibrant community and diverse range of networking opportunities have significantly elevated our brand's visibility. The collaborative environment has allowed us to forge invaluable connections, driving growth and fostering lasting partnerships. The EFC Business Network truly exemplifies excellence in facilitating meaningful business engagements making it an indispensable asset for any organisation seeking to thrive in today's dynamic market.

 Mos Kassaby, Chairman and Strategic Investor - Bluestar Global Logistics

EFC NETWORK PROGRAM

Driving B2B outcomes is at the core of the EFC Network ethos with the program being underpinned by a unique event series to help elevate connection opportunities. Each event is carefully curated to allow you to engage with industry experts, network with like-minded business leaders, develop strategies and promote your business to drive significant commercial outcomes.

Most importantly, throughout the year you will be supported by a dedicated EFC Network Account Manager to facilitate introductions and meetings with business prospects and help drive your B2B activity.
